

Designation Application Guidebook 2010

8-25-10 Revision

Though not material to the application, exhibits or appendices, the following changes were made to clarify instructions, correct errors or to eliminate requests for redundant or unnecessary information.

Updates and Corrections:

1. **Page 2-3:** Now properly reflects the program staff which will be involved in the acceptance and review of applications, and their contact information.
2. **Page 4-18:** The directions were re-worded to eliminate confusion as to what elements are to be shown on the maps submitted with the application.
3. **Page 4-22:** Directions for Exhibits 15, 16, 17 - The description of elements for retention, expansion or attraction activities were changed to reflect the actual columns included on the exhibit.
4. **Exhibit 8:** The question: "How will the zone assess the non-contiguous area's impact on the goal?" was stricken.
5. **Exhibit 33B:** The entire exhibit was removed
6. **Exhibit 36:** An additional column was added to allow applicants to more easily account for "In-kind" contributions. Also the erroneous reference to "exhibit 46" was corrected to "exhibit 6".
7. **Exhibit 43B:** The reference to the years which must be included in the Capital improvement Plan was corrected to 2010 and 2011.
8. **APPENDIX B:** Page numbers were corrected
